

Commission on Teacher Credentialing
Preconditions Submission Review
Revised Preconditions Due August 15, 2023

Institution: California State University, Channel Islands

Program Cohort: **Green Cohort**

The information provided by your institution to demonstrate that each Commission approved credential program is operating in compliance with preconditions have been reviewed by staff. For preconditions that have been determined are met, no further action is necessary. **If additional information is needed, the precondition responses must be revised (use a different colored font) and resubmitted to Preconditions@ctc.ca.gov.** Feedback corresponding to the revisions will also be in a different colored font.

Institutions failing to submit revised preconditions by the above identified due date will be included in the next Committee on Accreditation meeting agenda for discussion and possible action. If you have any questions about the feedback provided here, please contact Preconditions@ctc.ca.gov.

Programs	All Met	Needs Additional Information
General	All Met	

Programs	All Met	Needs Additional Information
Preliminary Multiple/Single Subject		PC 4: Provide a link within a handbook, program website, or other authentic program documentation that indicates this policy. Please show where/how the submitted letter would be accessible to candidates. PD 5: Provide direct link within a handbook, website, or other authentic program documentation which specifically indicates how candidates are provided with clear and accurate information about all options available to demonstrate subject matter competence. Provide evidence of the program's process for completing the assessment and providing candidates with notification of their standing in relation to meeting the subject matter competence requirement within 60 days of their admission to the program. This notification should include reference to how the candidate has completed the requirement or next steps to completion. PD 6: Provide direct link within a handbook, website or other authentic program documentation which you are presenting as evidence for this precondition. Specifically, show where/how this information is accessible to candidates. PC 7: Please provide a link to evidence (tracking materials, checklists, or other authentic program documentation) that shows the tracking process followed by the program to assure that each candidate has completed each legal requirement of the credential. If this credential recommendation tracking process is housed in an internal database, screenshots of the process can be provided.

Preliminary Multiple/Single Subject Intern		Multiple Subject intern program is no longer active Single Subject Intern The responses provided combine single subject and education specialist intern preconditions. Each credential has its own set of intern preconditions. Provide a response using the Multiple/Single Subject Intern Preconditions. Precondition 1- Met. However, please note that the Intern Eligibility Requirements page includes that subject matter may be demonstrated by passing the CSET exam or by completing 100% of a Commission approved subject matter program—there are additional options to meet subject matter. Precondition 2- Provide link to admission requirements on program website, admission form/checklist, specific page in handbook, or other authentic program documentation that indicates that candidates must have demonstrated the subject matter requirement competence prior to being recommended for the intern credential. Same comment in Precondition 1 re: options for subject matter. Precondition 3- Link directs to the webpage for Education Specialist candidates.
