

Subject: You're Invited: Italy & Greece – RSVP!

Hi Families!

Your next adventure is calling! We're excited to invite students and families to learn more about an incredible opportunity to travel to Italy and Greece summer 2027!

Join us for an in-person information meeting on **Wednesday, September 23 at 5:30 PM** at **Central Wilkes Middle School in the Media Center** to learn everything you need to know about this exciting student travel opportunity.

Students will journey through the ancient Mediterranean, beginning in Rome where they'll stand in awe of the Colosseum and explore the ruins of the Roman Forum. They'll venture south to Pompeii, walking the streets of a city frozen in time by volcanic ash, before boarding an overnight ferry across the sea to Greece. In Delphi, students will visit the sacred Temple of Apollo, and in Athens, they'll climb to the Acropolis and gaze upon the Parthenon—connecting thousands of years of history in one unforgettable trip.

During the meeting, we'll cover:

- Everything included in the Mediterranean tour
- The itinerary and exciting experiences students will have
- Trip pricing and payment options
- How to enroll and reserve a spot

Please RSVP "Yes" or "Interested" to receive all tour and meeting details:
