📩❣️ SEND THEM SOME LOVE

Let's show our love and gratitude to the supporters who are currently on remand or serving a sentence and those who have already gone through the prison system.

Please write! All of your correspondence makes a huge difference 🙏🙂
See further on below for contact information.

TIPS:
👉 For letters/postcards/cards please include: name, prisoner number and address.
👉 We'd recommend leaving a return to sender address on the back of envelopes
👉 Prisons vary in how emails are received and replied to - this may be on a screen or printed out. Please refer to the preference of each person for how they would like to receive their correspondence.
Long letters, poems and articles work much better by post please. If you wish to send a short message then postcards are ideal.

Check out this doc with information about each prisoner for personalised letters:

Some people prefer emails - we try to keep all preferences updated below ⬇️

👭👫👬 To WRITE TO ALL PRISONERS send an email to: emailallprisoners@proton.me

🙋 To WRITE TO INDIVIDUAL PRISONERS see below…address' are at the end.
Please don't use prisoners' codenames in any letters/emails. If someone doesn't have an address you can send letters to our PO box (Robert Pirch), which is after the prisoner's details.
