“Your presentation specifically and the entire program was fascinating!

Thank you so much for sharing with us.

My husband and I were thrilled to learn so many historical facts and information that we haven’t learned of before.

This is so crucial for our future here in Israel.

Your knowledge and charisma are incredible and therefore can pass the important information and message in a fantastic way.” -- ss

“Congratulations! You did very well in your presentation! Very educational for me and now it is very clear to me that the Jewish people have an indisputable legal right to the land of Israel.” -- nl

“Great to see you in action. It was a terrific talk -- full of important and relevant information. I also value your courage in talking so directly and about a topic that is far from being politically correct.

G just emailed me and asked me to convey to you that he listened to every word you said and learned a lot.

Keep doing great things for Israel and the Jewish people!” -- gl
