Wood Badge

This song book was brought to you by Wood Badge 2129.

Wood Badge is an exciting, action-packed program designed for councils to provide adult members with leadership skills and experience they can use in their Scouting positions and in other situations demanding leadership of self and others.

The Wood Badge course centers upon the concepts of servant leadership and leaving a legacy. The key elements are then taught with a clear focus on “how to.” The skills come alive during the week as the patrol completes a patrol project based upon what they have learned.

Wood Badge is a six-day course that takes place over two weekends.

At time of printing, course fee is \$225 per participant, which includes food for the weekends and all training materials. This training has been compared in both content and quality to corporate-level trainings that cost thousands of dollars..... So even at that fee, this course is a bargain!

The skills and concepts learned at this training will not only impact a volunteer's Scouting experience and help youth, but they also can bring leadership and development to a participant's vocation/business as well as personal/family life.

Patriotic Songs

1. Star Spangled Banner

Oh, say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched were so gallantly streaming.
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there!
Oh, say does that Star-Spangled Banner yet wave
O'er the land of the FREE and the home of the BRAVE!

2. Grand Old Flag

You're a grand old flag,
You're a high-flying flag
And forever in peace may you wave.
You're the emblem of the land I love.
The home of the free and the brave.
Ev'ry heart beats true 'neath the RED, WHITE, and BLUE,
Where there's never a boast or brag.
Should auld acquaintance be forgot,
Keep your eye on the grand old flag.

3. America the Beautiful

O beautiful for spacious skies, for amber waves of grain
For purple mountain majesties, above the fruited plain
America, America, God shed His grace on thee
And crown thy good with brotherhood, from sea to shining sea

O beautiful for Pilgrim feet, whose stern impassioned stress
A thoroughfare for freedom beat, across the wilderness
America, America, God mend thine every flaw
Confirm thy soul in self control, Thy liberty in law

O beautiful for heroes proved, in liberating strife
Who more than self their country loved, and mercy more than life
America, America, May God they gold refine
Till all success be nobleness, and every gain divine

O beautiful for patriot dream, that sees beyond the years
Thine alabaster cities gleam, undimmed by human tears
America, America, God shed His grace on thee
And crown thy good with brotherhood, from sea to shining sea

4. God Bless America

God bless America, land that I love,
Stand beside her and guide her,
Through the night with a light from above.
From the mountains to the prairies,
To the oceans white with foam,
God bless America, my home sweet home.
God bless America, my home sweet home.

5. America

My country 'tis of thee,
Sweet land of liberty,
Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From ev'ry mountainside
Let freedom ring.

My native country, thee,
Land of the noble free,
They name I love;
I love thy rocks and rills,
They woods and templed hills;
My heart with rapture thrills
Like that above.

Our father's God to thee,
Author of liberty,
To thee we sing;
Long may our land be bright,
With freedom's holy light;
Protect us by thy might,
Great God, our King.

6. Yankee Doodle

Yankee Doodle went to town
A-riding on a pony.
Stuck a feather in his hat
And called it macaroni.

Chorus:

Yankee Doodle keep it up,
Yankee Doodle dandy,
Mind the music and the step,
And with the girls be handy.

Father and I went down to camp
Along with Captain Goodin.
There we saw the men and boys
As thick as hasty puddin'.

Chorus

And there was Captain Washington
Upon a slapping stallion
A giving order to his men;
I guess there was a million.

Chorus

7. Oklahoma

OOOOOOOOOKlahoma!
Where the wind comes sweepin' down the plain.
Where the wavin' wheat can sure smell sweet
When the wind come right behind the rain.

Sit alone and talk, and watch a hawk
Makin' lazy circles in the sky.
(continued)

We know we belong to the land.
And the land we belong to is grand.
And when we say Yeow! Aipioeey!
We're only saying "You're doin' fine Oklahoma,
Oklahoma, O-K-L-A-H-O-M-A, Oklahoma, OK"

10. The Battle of New Orleans

In 1814 we took a little trip,
Along with Colonel Jackson down the mighty Mississippi'
We took a little bacon and we took a little beans,
And we met the bloody British near the town of New Orleans.

Chorus

We fired our guns and the British kept a comin'.
There wasn't Night as many as there was a while ago.
We fired once more and they begin a runnin',
Down the Mississippi to the Gulf of Mexico.

We looked down the river and we see'd the British come,
There must have been a hundred of 'em beatin' on the drum.
They stepped so high and the made their bugles ring, while
We stood beside our cotton bales and didn't say a thing.

Old Hickory said we could take 'em by surprise
If we didn't fire a musket 'til we looked 'em in the eyes.
We held our fire 'til we see'd their faces well,
Then we opened up our squirrel guns and really gave 'em---Well.

Chorus

They ran through the briars and they ran through the brambles,
And they ran through the bushes where a rabbit couldn't go.
They ran so fast that the hounds couldn't catch 'em,
On down the Mississippi to the Gulf of Mexico.

Chorus

We fired our cannon 'til the barrel melted down,
So we grabbed an alligator and we poured another round.
We put the ball between his teeth and powdered his behind,
And when we touched the powder off, the 'gator lost his mind.

Chorus

They ran through the briars and they ran through the brambles,
And they ran through the bushes where a rabbit couldn't go.

They ran so fast that the hounds couldn't catch 'em.
On down the Mississippi to the Gulf of Mexico

24. On Top Of Spaghetti

On top of spaghetti
All covered with cheese
I lost my poor meatball
When somebody sneezed.

It rolled off the table
And onto the floor
And then my poor meatball
Rolled out the door.

It rolled to the garden

Fun!

And under a bush
And then my poor meatball
Was nothing but mush.

(continued)

The mush was as tasty
As tasty could be
And the next summer
It grew into a tree.

The tree was all covered
All covered with mush
And on it grew meatballs
And tomato sauce

So if you eat spaghetti
All covered with cheese
Hold onto your meatball
Lest somebody sneeze.

25. Bug Juice

To the tune "On Top of Old Smokey"

At camp with the Cub Scouts, they gave us a drink.
We thought it was Kool-Aid, because it was pink.

But the thing that they told us would've grossed out a moose.
For that great tasting pink drink was really bug juice.

It looked fresh and fruity, like tasty Kool-Aid.
But the bugs that were in it, were murdered with Raid!

We drank it by gallons, 'cause we couldn't stop,
But we never noticed, the bugs floating on top.

Alternate verse

*We drank it by gallons, we drank it by tons,
And the next morning, we all had the runs.*

So the next time you drink bug juice, and a fly drives you mad,
He's just getting even, 'cause you swallowed his dad.

Bok, bok, bok, bok

Ghost chickens in the sky.

The farmer had raised chickens since he was 24.

Working for the Colonel some 30 years or more.

Killing all those chickens and sending them to fry.

Now they want their revenge – Ghost chickens in the sky.

Chorus

They had no meat or feathers, these chickens all were dead.

They picked the farmer up, and he died by the claw.

They cooked him extra crispy – And served him with coleslaw.

But some poor man's made out of muscle and blood
Muscle and blood, skin and bones,
A mind that's weak and a back that's strong.

To the tune "O Tannenbaum"

Softly falls the light of day,
While our campfire fades away.
Silently each Scout should ask;
"Have I done my daily task?
Have I kept my honor bright?
Can I guiltless sleep tonight?
Have I done and have I dared
Everything to be prepared?"

Listen Lord O Listen Lord,
As I whisper soft and low.
Bless my Mom and bless my Dad,
There is something they should know.
I will keep my honor bright,
the Oath and Law will be my guide.
And Mom and Dad this you should know,
deep in my heart I love you so.

Quietly we join as one,
Thanking God for Scouting fun,
May we now go on our way.
Thankful for another day.
May we always love and share,
Living in peace beyond compare,
As Scouts may we find,
Friendships true with all mankind.

Quietly we now will part,
Pledging ever in our heart,
To strive to do our best each day,
As we travel down life's way.
Happiness we'll try to give,
Trying a better life to live,
Till all the world Be joined in love,
Living in peace under skies above.
