

Alice [_as] : [239] ([_As] : [287]) [% : twice use]

[;axXR]

136/ You *might just as well say* that

199/ 'I *might as well be* at school at once.'

[;bx]////////////////////////////////////

#_;cX] 81/ Alice thought *she might as well wait*, (as she had nothing else to do,)

#_;fx] 81/ (Alice thought *she might as well wait*,) as she had nothing else to do,

#_;cX] 155/ I think *I may as well go in* at once.

6/ *as there was* no one to listen to her,

65/ — *As it is*

135/ 'only, *as it's asleep*, I suppose it doesn't mind.'

15/ muttering to himself *as he came*,

22/ _;cZ / and the words did not come the same *as they used to do*:

23/ and her eyes filled with tears again *as she went on*

62/ so severely *as to bring* tears into her eyes;

35/ turning to Alice *as it spoke*.

38/ *as you #might like* to try the thing yourself,

40/ *as she could not think* of anything to say,

46/Why, she'll eat a little bird *as soon as look* at it!'

58/ and looking anxiously about *as it went*,

53/ she said to herself *as she ran*

54/ *As she said this, she came*

120/ *As she said this, she came suddenly upon an open place.*

133/*As she said this, she looked up.*

154/*Just as she said this, she noticed that*

57/ *as there seemed to be*

61/ 'Do *as I tell you*,

68/ and *as it can't possibly make* me larger

83/ I can't remember things *as I used*

125/ so *as #to prevent* its undoing itself,

28/ and *as #for the baby*, it was sneezing and howling

89/ *as it went*. (+2)

_;cZG] 91/ and *as it was perfectly round*,

#92/ *as far as they would go*

95/ *as she spoke*. (+5)

119/ *as she spoke* (+5)

183/ , stamping on the ground as she spoke; 'either you or your head

115/ as it happens

123/ because I'm on the same side of the door as you are;

119/ as she went out,

#_;dx] 121/ as it was a queer-shaped little creature,

#126/ who might do very well as pigs,

131/ as this is May it won't be raving mad

132/ at least not so mad as it was in March

133/ As she said this,

149/ He moved on as he spoke,

153/ Just as she said this

156/ and just as she came up to them

161/ going down on one knee as he spoke,

163/ He looked anxiously over his shoulder as he spok

169/ He got behind Alice as he spoke,

173/ as they all spoke at once

175/ closer to Alice's side as she spoke.

178/ as she added, 'and

#185/ it would be quite as safe to stay with it as to go after that savage Queen:

186/ as she went slowly after it:

_;cZ] 187/ as they came nearer,

195/ but she gained courage as she went on.

#2 196/ 'It's all about as curious as it can be,' said the Gryphon.

201/ 'if you don't explain it as you go on?

202/ Alice panted as she ran; but

_;bXY] 212/ she decided to remain where she was as long as there was room for her.

215/ 'I'm on the floor, as it is.'

227/ Exactly as we were.

180/ but I can't quite follow it as you say it.'

#219/ , looking hard at Alice as he said do.

223/ and making faces at him as he spoke.

226/ as he spok,

229/ as she spok,

#235/ thinking while she ran, as well she might, what a wonderful dream it had been.

#236/ But her sister sat still just as she left her,

237/ and still as she listened,

[;cX] //////////////////////////////////

_;bXY] # 104/ as well as she could, for
;bXY_;cZ] # 233/ , as well as she could **remember them**,

#_;cX] 81/ Alice thought she might as well wait, (as she had nothing else to do,)
#_;fx] 81/ (Alice thought she might as well wait,) as she had nothing else to do,
#_;cX] 155/ I think I may as well go in at once.
#170/ Alice thought she might as well go back,

[;cZ] ////_;bXY] //////////////////////////////////

%_;bXY] 30/ as hard as it could go, and making quite a commotion in the pool (as it went).
_;bXY] #92/ as far as they would go

[;cZ] //////////////////////////////////

_;cXY] #11/ As wet as ever,
%_;bXY] 196/ 'It's all about as curious as it can be,' said the Gryphon.
%_;cXY] # 109/ nearly as large as himself,
19/ And yesterday things went on just as usual.
106/ as usual.
179/ 'Right, as usual,'

_;cZ] 5/ After **such** a fall as this
_;cZ] 27/ 'for I never was **so** small as this before, never!
_;cZ] 99/ **such** a neck as that!
#190/ 'you needn't be so proud as all that.'

20/ all the children she knew that were of the same age as herself,
75/ about the same height as herself,
%_;cXY] # 109/ nearly as large as himself,
26/ and the little golden key was lying on the glass table as before,
189/ very nearly in the same words as before,

_;bXY] #122/ It was as much as she could **do**
_;bXY] #17/ Poor Alice! It was as much as she could do
_;bXY] #16/ as hard as he could go
%_;bXY] # 32/ (as hard as it could go, and making quite a commotion in the pool) as it went.

_;bXY] # 147/ looking as solemn as she could.

_.bXY] # 45/ as soon as it was quite out of sight;
_.bXY] #58/ Why, she'll eat a little bird as soon as #look at it!
_.bXY] # 93/ as nearly as she could guess.

_.dXY] # 60/ as sure as #ferrets are ferrets!
_.dXY] # 68/ a thousand times as large as #the Rabbit,
% _.cXY] # 108/ nearly as large as himself,
_.cXY] # 97/ as steady as ever

_.bXY] # 63/ She drew her foot as far down the chimney as she could.
_.bXY] # 65/ Alice called out as loud as she could.
_.bXY] # 69/ As soon as she was small enough to get through the door,
_.bXY] # 123/ As soon as she had made out
_.bXY] # 167/ as soon as there was mouth enough for it to speak with.

_.bXY] # 71/ but she ran off as hard as she could

_.dXY] # 100/ but little girls eat eggs quite as much as serpents do, you know.'
_.bXY] # 122/ it was as much as she could do to hold it.
_.bXY] # 113/ Alice said to herself, as well as she could for sneezing.

_.bXY] # 146/ 'If you knew Time as well as I do,' said the Hatter
_.bXY] # 148/ 'but you could keep it to half-past one as long as you liked.'

_.bXY] # xx/ as well as she could (+8)
176/ so she bore it as well as she could.
142/ 'Yes, but some crumbs must have got in as well,' the Hatter grumbled:
.bXY.cZ] # 116/ and thought it would be as well to introduce some other subject of conversation.
181/ 'I make you a present of everything I've said as yet.'
.bXY.dY] # 182/ 'Just about as much right,' said the Duchess, 'as pigs have to fly;
_.bXY] # #185/ it would be quite as safe to stay with it as to go after that savage Queen:
_.bXY] # 143/ she said, as politely as she could.
_.bXY] # 193/ as far out to sea as you can

/////////////////22/11/2012 14:55

_.bXY] # 196/ 'It's all about as curious as it can be,' said the Gryphon.
_.dXY] # 203/ as well as the whole pack of cards
206/ However, 'jury-men' would have done just as well.
_.fXY] # #207/ Alice could see, as well as if she were looking over their shoulders, that all the jurors
were writing down 'stupid things!' on their slates,
#210/ and read as follows:—
_.bXY] # 217/ as quickly as she could,

220/ 'I should think it would be quite as much use in the trial one way up as the other.'
_;dXY] # 222/ As soon as the jury had a little recovered from the shock of being upset,
_;bXY] # 230/ as long as it lasted

[;dx]//

18/ as the hall was very hot
66/ ,as a last resource,
129/ Alice added as an explanation.
211/ the Hatter added as an explanation;
134/ and the other two were using it as a cushion,
192/ as a partner!'
137/# "I see what I eat" is the same thing as "I eat what I see!"
160/ the same as the rest of the pack,
151/# such as mouse-traps,
152/ such a thing as a drawing of a muchness?'
#2 182/ 'Just about as much right,' said the Duchess, 'as #pigs have to fly;
#2 194/ 'Oh, as to the whiting,' said the Mock Turtle,
200/ As a duck with its eyelids, so he with his nose
221/ 'I should think it would be quite as much use in the trial one way up as the other.'

[;dx#]

21/ 'Oh, I'm not particular as to #size
194/ 'Oh, as to the whiting,' said the Mock Turtle,

[;fx] (sub.#)//

(need add)

67/ as they lay on the floor
77/ and as Alice could not think of any good reason, and as the Caterpillar seemed to be in a very unpleasant state of mind, she turned away.
#2 81/ (Alice thought she might as well wait,) as she had nothing else to do,
96/ And just as I'd taken the highest tree in the wood,'
158/ as the soldiers did
164/ just as she had got its neck nicely straightened out,
214/ she decided to remain where she was as long as there was room for her.

[;fx]#

39/ and handed them round as #prizes
60/ as sure as #ferrets are ferrets!
126/ , who might do very well as #pigs, [;bXXY_;cZ_;dxYZs]

76/ it occurred to her that she *might as well* #look and see what was on the top of it.

[;fx]## / (subordone#)

1/ as if she were saying lessons,

2/ as if she had known them all her life

3/ as if it thought that somebody ought to speak,

4/ as if it had lost something;

5/ just as if she had asked it aloud

6/ as if a dish or kettle had been broken to pieces.

7/ exactly as if nothing had happened.

130/ just as if it had come back in a natural way.

187/ as if his heart would break.

191/ 'Same as if he had a bone in his throat,'

198/ as if he thought it had some kind of authority over Alice.

224/ ' as if he were trying which word sounded best.

207/ Alice could see, as well as if she *were* looking over their shoulders, that all the jurors were writing down 'stupid things!' on their slates,
