Joe Ortiz, veteran journalist, talk show host and blogger, is the author of two books that challenge the *Left Behind* and Pre-Tribulation Rapture to Heaven myth, and premillennial dispensationalism precepts and doctrines being promoted by many radical right-wing evangelicals and Christian Zionists.

The two books include *The End Times Passover* (Etymological Challenges to Millenarian Doctrines) and *Why Christians Will Suffer Great Tribulation* (The Sequel to The End Times Passover), published by *AuthorHouse*. The radio and television talk show host, journalist and newspaper columnist is the first Mexican American to host a show on an English-language, commercial radio station, beginning in 1971 at KABC-AM Radio in Los Angeles. The veteran journalist operates his own full-service public relations company, as well as writes for local, national and world-wide media and several blogs.
