Look at the photo (picture) of my family. These are my parents and my sister. We are in the park. It's autumn but the weather is warm. The sun is shining. My dad is wearing a brown jacket, blue jeans and heavy boots. My mum is wearing a loose raincoat, tight trousers, a long scarf and high heels. My sister is wearing a light jacket, a short skirt and trainers. I am wearing a long coat, loose jeans and plimsoll shoes. My sister is picking yellow and red leaves. My parents are sitting on the bench (скамейка). I am feeding the ducks. We are happy because we are together. We always walk in the park in autumn.
