****Message from Morehead-Cain regarding SAT/ACT scores:** [Morehead-Cain is following the University of North Carolina at Chapel Hill's guidance and will therefore be test-optional for scholarship selection.](#) Students who are unable or choose not to submit testing will not be at a disadvantage in our selection process. Our review of your application emphasizes the rigor of academic work in high school, the courses you took, and your overall academic performance. Should you choose to submit your scores, you do not need to submit an official score report. When you submit your application, you self-report your test scores and your counselor verifies them. After you have submitted your application, you can log back into your account and add any new or additional test scores on the applicant status page.
