CALL TO ORDER AT 5:31 PM

SAC

- Report given by Mr. Hirman including Performance Plan, PSAT89, PSAT and SAT scores.
- CMAS testing was discussed among the committee on continuing to encourage students to work hard on testing.
- Vote done for Tami Glover to be the representative and Jan Humphrey is the Vice-chair reserved and the secretary.
- Tami Glover is also taking part in a Steering Committee to discuss the testing results. The next meeting is Wednesday and a few students from Olathe will be included in the input. They are also working on 5-year goals.
- February is the next meeting.

DAC

- Upcoming discussions regarding district financials including the strategic planning and the Montrose Classical Academy.

REPORTS

Balance unavailable at this time but will get update from Jenny and add to these minutes as soon as able. There are two scholarships of $500 each outstanding. There was $213 gross from movie night and $1,490 from selling the squares for Cow Patty Bingo.

OLD BUSINESS

- Previous minutes approved by Heather and second by Jade T.
- Movie night – worked well to have the entry fee include a piece of pizza. Suggestion made to move the next movie night to the cafeteria for better sound. Also brought up to spread out how often they are held due to the overload of how many events are happening all the time but concern that we don't hold them monthly or every other month, we won't pay for the cost of the license.
- Cow patty bingo highlights
    - Worked well to sell squares the night before at the football game
    - Worked well to hold it on the practice field with the ability to sell squares at the entrance to the volleyball games.
    - 90 of the 100 squares were sold
    - Carol Humphrey was the winner and she donated the entire winning pot back to PAC.
    - Still need to work on our own venmo or other option to pay electronically.

NEW BUSINESS

- Possible future fundraisers to try or to replace movie nights:
    - Donkey Basketball night – **Mr. Hirman** to look into and report back at next meeting.
    - Ceiling panel art night. Suggestion to do this at back-to-school night. **Mr. Hirman** will also check on fire regulations of painting ceiling tiles.
- Brought up that we could provide a small gift for Carol Humphrey for her generosity of donation.

Next meeting will be held on December 10, 2025 at 5:30pm in the library.

Adjourned at 6:29 PM.
