Questionnaire: Defining the Noise Problem(s)

1. What specific aircraft noise sources are of greatest concern (e.g. flight paths, departures, arrivals, aircraft types, time of day, etc.)?

2. Which specific areas or neighborhoods around the airport are most affected by aircraft noise?

3. Is the aircraft noise problem worse at particular times of the day and/or time of year?

4. What additional information would help us to accurately define the aircraft noise problem(s)?

5. Please rank the areas of concern below (e.g., noise source, location, time of day/year, other factors) in order of importance to you.
