

MESMAC - Personal Specification - Community Development Worker TB, Viral Hepatitis and HIV

- Below we have outlined the abilities, knowledge and experiences, which we believe the successful candidate for this post will be able to demonstrate and how we expect to assess this.
- In order to be shortlisted for interview you **must** demonstrate in your application form how you meet each of the following criteria explaining with examples how you think you can do this.
- Remember abilities, knowledge and experience can be gained in a variety of settings - for example life experience, paid or unpaid work, work in the home and educational settings. There is also space on the application form for you to tell us about any additional qualities, experience or skills you have which you feel are relevant.
- Think carefully about your experiences and how these may be transferable to this post.
- Remember that we can only assess you for interview based on information you present on your application form.
- Please include details in the work history section that match the specification below.
- **We do not accept CV's or handwritten forms**
- Each section on the application form has a word limit which you must keep to
- Please do not use AI to complete the application form
