COVID-19 Update 17

13 May 2021

Dear Community Members,

As you are hearing on the news, the situation is still difficult with the pandemic. We hear positive news about vaccine rollouts; however, the impact at this point is still in the future. Samutprakarn continues to stay in the Dark Red Zone and the daily cases continue to rise. The Governor of Samutprakarn has not issued a new declaration and we continue to follow his earlier statement, as referenced below.

In the interest of community safety and student well being, TCIS will remain online for the week of May 17th-21st. We hope that at some point next week we will hear some positive news about the potential to reopen. In the meantime, we wish you well and hope you remain safe.

Respectfully, Dr. John Mcgrath

WHAT TO DO IF SOMEONE IS SICK IN YOUR HOUSEHOLD

Life has to continue even where COVID-19 is spreading.

Here's how to stay safe.

### 1) ISOLATE THE SICK PERSON

Prepare a separate room or isolated space, and keep distance from others.

Keep the room well ventilated and open windows frequently.

### 3 TAKE CARE OF THE SICK PERSON

Monitor the sick person's symptoms regularly.

Pay special attention if the person is at high risk for serious illness.

Ensure the sick person rests and stays hydrated.

Confusion

Call your healthcare provider immediately if you see any of these danger signs:

- · Difficulty breathing
- Loss of speech or mobility
   Chest pain

### 2 REDUCE CONTACT WITH THE VIRUS

Identify one household member to be the contact person who is not at high risk and has the fewest contacts with people outside.

Wear a medical mask if in the same room as the sick person.

Use separate dishes, cups, eating utensils and bedding from the sick person.

Clean and disinfect frequently touched surfaces.

### SAT Dates at TCIS

for the 2021-2022 school year **August 28, 2021** October 02, 2021 **December 04, 2021** March 12, 2022 May 07, 2022

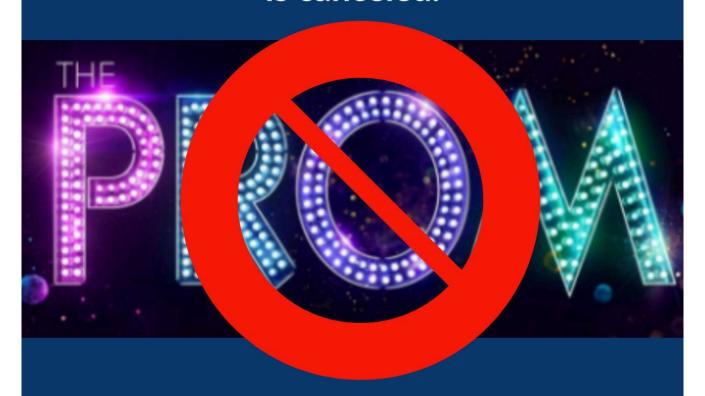

Most US universities are sympathetic to the current take the SAT due to Covid 19.

### 4 Suggestions:

- 1. If your SAT test was canceled, use this extra time to continue preparing for the exam (use Khan Academy).
- 2. Students should strengthen other areas of their application to the greatest extent (i.e. Get good grades; Take rigorous courses like AP classes; Take other exams as they are able (i.e. IELTS, AP Exams), Get strong teacher rec letters; Write a great college essay; Prepared for college interviews: Get involved in school with extracurricular and leadership activities; Volunteer or do an internship outside of school).
- 3. Establish relationships with college representatives and notify them of your concerns directly and listen to their recommendations.
- 4. Register early (June/July) to secure seats at TCIS for the SAT next school year. Do not wait until the beginning of the school year or you may not be able to test at TCIS.

# Thai-Chinese International School May 29, 2021 High School Promis canceled.
