

PETERBOROUGH LIONS CLUB ONLINE EASTER EGG RAFFLE 2022

Welcome to Peterborough Lions Club's second online Easter Egg Raffle!

We're back in the pubs around Peterborough this year as we approach Easter, but following the success of online raffles last year, when the pubs were closed, we've decided to continue offering the online raffle in addition.

The raffle prize is a giant Thorntons Egg delivered directly by Thorntons - so you don't need to be anywhere near Peterborough to take part!

To buy slots in the raffle, please visit <https://peterboroughlions.org.uk/product/2022-easter-egg-raffle>. Numbers will be allocated randomly but if you have a particular number (or numbers) in mind please tell us in the order comments and we'll allocate them to you if still available.

When a card is completed the draw will take place and a new raffle card will be started, so there is no limit to the number of tickets you can buy!

The current raffle card is on the next page.

Competition Rules:

1. Slots cost £1 each and there is no limit to how many you can buy
2. If you choose numbers we will do our best to accommodate your selection but cannot guarantee it; random selections will be made otherwise.
3. Each card has one randomly selected winning slots, which will win a Thornton's Giant Marvellous Magnificent Egg, delivered to your door
4. Delivery of prizes (to a UK mainland address) is included in the prize
5. Card winners will be announced shortly after the card is filled, and we will endeavour to get your prizes to you as soon as possible after that.
6. Closing date is Tuesday April 19th 2022. At that point, if the final card is not full, it will be drawn, and if the winning slot has not been purchased then the prize costs will be transferred to the charity.

Each fully completed card raises approximately £55 for charity after card transaction fees and prize costs. For more information about how that money is spent, [please visit our website](#).

Thank you for your generous support at this difficult time - Good Luck!!!

Privacy and GDPR Notice: Your first initial and surname will appear on the card against your numbers. The first initial, surname and broad location of winners will be reported on our website and elsewhere (eg Facebook). The remainder of your contact details will be used only for the purposes of this raffle. Credit card payments are taken securely by our payment processing partners and are never seen (or recorded) by Peterborough Lions Club.
