

For over 25 years the **Gifts for Kids** program has helped ease the financial burden for families in need during the holiday season. Children identified by human service providers in and around Norfolk County receive holiday gifts through your generosity. This year the need for your help is greater than ever. We are asking for your renewed support so that we may continue to bring joy to families in our community this holiday season.

The Boyden School staff, students and families have volunteered to participate in the Gifts For Kids program for many years. This voluntary program through Boyden has helped hundreds of families and we are hoping that your family will volunteer to support this event.

Each class at Boyden has been assigned a gift box with a child's name, age and wish list items attached to it. If you are willing to participate, your child may remove one of the choices with your approval. Please return the unwrapped gifts to your classroom no later than **Monday, December 8, 2025**

Gifts For Kids is also requesting gift wrap and tape.

The child your class is supporting is Jonathan - Age 4- boy

Jonathan's wish list:	Favorite color - Blue	Warm blanket
	Cars & Trucks	Magna-tiles
	Building blocks	Puzzles
	Books	Squishmallows
	Construction vehicles	

Thank you so very much for your support! If you have any questions please feel free to reach out to me:
