

Who is coming to see us?

Our school chef (Taz) is going to do some cooking with reception.

This is not the same as our usual day. That is **OK**. Trying new things is fun.

We will look and listen to what they have to say.

We will be quiet so that we can hear them.

If we want to, we can join in. It is **OK** if we do not want to. We can tell an adult if we need help and want some quiet time.
