

1. Is the Womb of the Dawn the Womb of God?

- Shelter from the storm
- Hidden from the enemy
- Supplies all our needs
- Protection from the evil hunter
- Isaiah 63:13
- We are protected from endtime issues
- Protection from the judgements of God
- We choose to remain the shelter of the Most High
- Even though those around you are affected by evil, you are not
- When you speak "The Lord is my refuge," you are protected
