

YL45 - Celebrating God's Faithfulness

Please make a copy of this doc and answer the questions. When completed, email your doc to Jared - jpiersma18@gmail.com

Watch the [YL45 video here](#) and answer the questions below.

In this video you hear stories about Young Life in Holland from the last 45 years. You've stepped into a ministry that's far bigger than you and your team. God's continued faithfulness has blessed Greater Holland Young Life to create an impact on thousands of lives! It's your turn to be a part of this beautiful work.

1. Emma and Lauren were current high school students in the Holland area when this video was filmed last year. Why do they choose to be a part of Young Life? How has it impacted their lives?

2. In a relationship with Jesus it's important for there to be a connection between the head and the heart. How does Young Life/ a YL leader help in this process?

3. Ray Smith talks about the Parable of the Sower (Mark 4:1-20). How does this story relate to you as a new leader?

4. Sue Smith says, "The older I get the more I think these things don't happen by accident and I just see the way God's wove these introductions to get us here." Mitch VanPutten says, "As I'm getting older I'm big into understanding and noticing the history we have with people. A lot of those people have connections through Young Life."

You have become a Young Life, Wyldlife, or Capernaum leader and it's not by accident. Why did you say "yes" to becoming a leader? If you could fast forward 2 or 3 years, what is your hope?

5. Lauren Hofland says, "The message has stayed the same." What is the message of Young Life? How can you keep moving that message forward?

6. Which person in the video spoke to you most as you think about doing the ministry of Young Life? How does it feel to know you have the backing of a community of people like them?

Contact Work Baby Steps

Do your best to complete the Week 1 & Week 2 sections of the Contact Work Baby Steps - use each other, your other teammates, and the internet to find key information. Record your findings below and figure out where your team keeps a list of Kids Known By Name (every team should have some version of this, if not - start it!) If 2/6 kids are 'new' to your team list, you'll get an extra raffle ticket at the next L2 meeting!
