Autobiography Project

Total Points: 35

Hello 4th grade parents! I hope you are all doing well! I just wanted to send out a note explaining our autobiography project. This is a writing assignment that we will be doing throughout the end of the school year. Almost all of the project will be done in class but there will be a few items that need to be completed at home. Please have your child bring in a binder by Tuesday, May 8th so that we can use it organize all of the different parts of the autobiography.The Binder needs to be 3-pronged and not be more than 1 inch wide please. I have also asked the children to "interview" you, with questions we have come up with in class, about your heritage :) They will be asking you about where your family is from and where you grew up. The interview questions may be answered in note/bullet point form. If you could also send in about 7-9 family pictures by Friday May 11th,that would be fabulous! In completing this project, I want the students to have a better understanding of where they came from and what kind of plans and dreams they have for the future. Thank you and please let me know if you have any questions!
