Effective Date: April 27, 2026 | Version 1.0

IMPORTANT PLEASE READ CAREFULLY BEFORE REGISTERING OR MAKING ANY PAYMENT

These Terms and Conditions ("Agreement") constitute a legally binding contract between you ("Student" or "Participant") and the trainers of the Mastering AI & Cybersecurity programme ("Trainer", "We", "Us"). By registering, making payment, or attending any session whether in part or in full you unconditionally agree to be bound by all terms set out herein. If you do not agree to any part of these terms, you must not register or make any payment.

This Agreement is governed by the laws of India, including applicable provisions of the Indian Contract Act, 1872, the Information Technology Act, 2000, and the Consumer Protection Act, 2019 (to the extent applicable to educational/training services).

1. ENROLMENT & ACCEPTANCE OF TERMS

- 1.1 Registration for this programme whether via Google Form, WhatsApp, phone call, or any other means constitutes your acceptance of these Terms and Conditions in their entirety.
- 1.2 The Trainer reserves the right to accept or decline any enrolment at their sole discretion without obligation to provide a reason.
- 1.3 Students are strongly advised to read and understand all terms prior to making any payment. By proceeding with payment, the Student confirms they have read, understood, and agreed to all clauses herein.
- 1.4 These terms supersede all prior verbal or written representations made during promotional activities, social media posts, or informal discussions.

2. FEES, PAYMENT & NO REFUND POLICY

2.1 All fees paid towards this training programme are strictly non-refundable under any circumstances whatsoever, without any exception.

(a) This includes, but is not limited to: personal reasons, change of employment, relocation, health issues, change of mind, scheduling conflicts, dissatisfaction with content, inability to attend, or any other reason whether foreseeable or not.

(b) Partial completion of the course does not entitle the Student to a partial or full refund of fees paid under any circumstances.

(c) Non-attendance of sessions, for whatever reason including medical emergencies, travel, or professional obligations does not entitle the Student to any refund.

(d) Even in the event the Trainer cancels, postpones, or restructures the programme for any reason, no refund shall be issued. The Trainer's sole obligation in such cases is to reschedule delivery at a future date at the Trainer's discretion.

2.2 Fees paid are solely for access to training sessions, course materials, and lab environments. They do not constitute any guarantee of employment, placement, certification, or any outcome.

2.3 The Trainer is not liable for any financial loss, direct or indirect, suffered by the Student as a result of enrolment, including but not limited to loss of income, travel costs, opportunity costs, or career decisions made in anticipation of the programme.

2.4 The Trainer reserves the right to change the fee structure for future batches at any time without notice. Fees already paid lock in the Student to the batch for which payment was made only.

3. NO JOB GUARANTEE

3.1 This is a professional training programme. The Trainer provides no guarantee, express or implied, of employment, job placement, salary enhancement, promotion, or any other career outcome.

3.2 Any reference to job roles, salary ranges, or industry demand during marketing or course delivery is for informational purposes only and does not constitute a guarantee or promise of outcome.

3.3 The Student acknowledges that career outcomes depend on individual effort, market conditions, prior experience, interview performance, and other factors beyond the Trainer's control.

3.4 No claim for compensation or refund shall be entertained on grounds of failure to secure employment or achieve a specific career outcome after completing or partially completing this programme.

4. CODE OF CONDUCT & TERMINATION

4.1 Students are required to maintain a respectful, professional, and constructive demeanour at all times during the programme including live sessions, group chats, labs, and any other interaction with the Trainer or fellow students.

4.2 The following behaviours are strictly prohibited and may result in immediate termination of enrolment without refund:

- (a) Harassment, bullying, intimidation, or abusive language directed at the Trainer, staff, or other students.
- (b) Sharing, distributing, or leaking any course material, lab credentials, or student information to third parties.
- (c) Attempting to disrupt, hack, or interfere with course infrastructure, lab environments, or communication platforms.
- (d) Misuse of skills or knowledge acquired in the programme for illegal, unethical, or unauthorised activities.
- (e) Recording, screen-capturing, or transmitting any session content without prior written authorisation from the Trainer (see Clause 6).

4.3 The Trainer's decision to terminate an enrolment under this clause is final and not subject to appeal. No refund shall be provided in such cases.

4.4 The Trainer reserves the right to report any illegal activities to appropriate law enforcement authorities.

5. INTELLECTUAL PROPERTY RIGHTS

5.1 All course materials including but not limited to slides, handouts, lab scripts, code samples, videos, recorded sessions, tools, and syllabi are the exclusive intellectual property of the Trainer and are protected under applicable Indian copyright law (Copyright Act, 1957).

5.2 Students are granted a limited, non-exclusive, non-transferable, personal licence to access and use course materials solely for their own private learning during the duration of the programme.

5.3 The following are strictly prohibited:

- (a) Sharing, forwarding, uploading, or distributing any course material on any platform including but not limited to YouTube, Telegram, WhatsApp, Udemy, or any social media.
- (b) Reproducing, reselling, or commercialising any course material in whole or in part.
- (c) Using course materials to create competing training products or services.

5.4 Any breach of this clause may result in immediate legal action, including claims for damages and injunctive relief under the Copyright Act, 1957 and the Information Technology Act, 2000.

6. PROHIBITION ON RECORDING OF SESSIONS

6.1 The recording, screen-capturing, audio recording, or any form of reproduction of live training sessions whether in whole or in part is strictly prohibited without prior written authorisation from the Trainer.

6.2 This prohibition applies to all participants in every session, regardless of whether the session is delivered via Zoom, Google Meet, Microsoft Teams, or any other platform.

6.3 The Trainer may, at their discretion, provide recorded versions of sessions to registered students for personal revision purposes only. Such recordings remain the property of the Trainer and are subject to all intellectual property restrictions in Clause 5.

6.4 Any unauthorised recording discovered during or after a session will result in:

- (a) Immediate termination of the Student's enrolment without refund.
- (b) Demand for deletion of all unauthorised recordings from all devices and cloud storage.
- (c) Potential legal action under the Information Technology Act, 2000 and Copyright Act, 1957 for unauthorised reproduction of copyrighted content.

6.5 The Trainer may record sessions for their own administrative, quality, or archival purposes. By participating in any session, the Student consents to being recorded by the Trainer for such purposes.

7. SCHEDULE, RESCHEDULING & MODIFICATIONS

7.1 The Trainer reserves the absolute and unconditional right to reschedule, postpone, cancel individual sessions, change the delivery format, or modify course content at any time and for any reason, without obligation to provide justification.

7.2 The Trainer will endeavour to notify students of scheduling changes on a best-effort basis via available communication channels (WhatsApp, email, or course platform). However, failure to provide advance notice does not give rise to any claim or entitlement by the Student.

7.3 Any sessions missed or rescheduled by the Trainer may, entirely at the Trainer's discretion, be compensated by a replacement live session or access to a recorded session. This is not an obligation and no refund or compensation shall be claimed if a replacement is not provided.

7.4 The Trainer is not liable for any inconvenience, financial loss, reputational damage, or any other consequence incurred by the Student as a result of any rescheduling, modification, cancellation, or change in delivery format.

7.5 The Trainer reserves the right to change the programme duration, number of sessions, tools used, or topics covered to reflect evolving industry standards, technical developments, or operational requirements, without this constituting a breach of this Agreement.

8. LAB ACCESS & INFRASTRUCTURE

8.1 Lab access is not a standard or mandatory component of this training programme. The provision of lab access is entirely at the Trainer's discretion and is not guaranteed to every student.

8.2 Where lab access is provided, it will be provisioned via a WireGuard VPN-based cloud environment for authorised registered students only. The decision to grant lab access and to whom rests solely with the Trainer.

8.3 Lab access, where granted, shall be capped at a maximum of 20 (twenty) hours per student for the duration of the entire programme. Usage beyond this cap will not be provided and does not entitle the Student to any compensation, refund, or extension.

8.4 The Trainer reserves the right to reduce, suspend, or revoke lab access at any time without notice, including due to resource constraints, misuse, or any other reason at the Trainer's sole discretion. No refund or compensation shall be claimable in such cases.

8.5 Lab credentials are personal and non-transferable. Sharing lab credentials with any third party is strictly prohibited and constitutes a material breach of this Agreement.

8.6 Students must not attempt to attack, probe, scan, or interfere with lab infrastructure beyond explicitly assigned exercises. Any misuse of lab access will result in immediate and permanent revocation of access and termination of enrolment without refund.

8.7 Lab availability is provided on a best-effort basis. The Trainer does not guarantee any specific uptime, performance, or availability and is not liable for any downtime, data loss, or disruption to lab services.

8.8 The absence of lab access whether due to the Trainer's decision not to provide it or due to the Student's cap being exhausted does not constitute grounds for any refund, discount, or claim against the Trainer.

9. PRIVACY & DATA COLLECTION

9.1 The Trainer will collect and process student personal data (name, contact details, professional background, attendance records) for programme administration, communication, certification, and future batch marketing purposes.

9.2 By registering, the Student expressly consents to the Trainer contacting them via phone, WhatsApp, email, or any other communication channel regarding the programme, future batches, related courses, and any other updates at the Trainer's discretion.

9.3 The Trainer may share anonymised student success information (e.g., testimonials, batch completion data) for marketing purposes. The Trainer will not publish personally identifiable information without the Student's consent.

9.4 Student data may be retained by the Trainer indefinitely for record-keeping, quality assurance, and future programme improvement purposes.

10. LIMITATION OF LIABILITY

10.1 To the maximum extent permitted by applicable law, the Trainer's total aggregate liability to the Student under or in connection with this Agreement regardless of the nature, basis, or form of the claim shall be NIL (zero). The Student waives any right to claim compensation, damages, or restitution from the Trainer.

10.2 The Trainer shall not be liable for any direct, indirect, consequential, incidental, special, or punitive damages of any nature including but not limited to loss of income, loss of employment, loss of data, loss of business opportunity, reputational damage, or psychological distress.

10.3 The Trainer does not guarantee that any skill, tool, technique, or knowledge imparted during the programme will be applicable, permitted, or usable in the Student's workplace or jurisdiction. The Student assumes full responsibility for the application of knowledge gained.

10.4 The Trainer is not liable for any loss or damage resulting from technical failures, platform outages, internet disruptions, third-party service failures, or any other technical issue outside the Trainer's direct control.

10.5 The Student agrees to indemnify and hold harmless the Trainer from and against any claims, liabilities, damages, losses, or expenses (including legal fees) arising out of or in connection with the Student's breach of this Agreement, misuse of course knowledge, or violation of any applicable law.

11. DISPUTE RESOLUTION & GOVERNING LAW

11.1 This Agreement is governed by and construed in accordance with the laws of India, including the Indian Contract Act, 1872, the Information Technology Act, 2000, and the Copyright Act, 1957.

11.2 All disputes, claims, or controversies arising out of or relating to this Agreement without exception shall be subject to the exclusive and sole jurisdiction of the courts located in Hyderabad, Telangana, India only. No other court in any other city, state, or country shall have jurisdiction over any matter relating to this Agreement.

11.3 The Student irrevocably submits to the exclusive jurisdiction of the courts in Hyderabad, Telangana, India and unconditionally waives any objection to the laying of venue in Hyderabad, including any objection on grounds of inconvenient forum or any other ground.

11.4 The Trainer reserves the right to initiate legal proceedings in Hyderabad courts at any time without prior notice or obligation to negotiate with the Student.

11.5 In the event the Trainer successfully enforces any claim against the Student, the Student shall bear all legal costs, court fees, and associated expenses incurred by the Trainer.

11.6 The Student shall not initiate any class action, group complaint, or collective proceedings against the Trainer. All disputes must be pursued individually and only before Hyderabad courts.

12. GENERAL PROVISIONS

12.1 Entire Agreement: This Agreement constitutes the entire agreement between the parties with respect to the programme and supersedes all prior communications, representations, or agreements.

12.2 Severability: If any provision of this Agreement is found to be unenforceable or invalid, that provision shall be modified to the minimum extent necessary to make it enforceable, and the remaining provisions shall continue in full force.

12.3 Waiver: Failure by the Trainer to enforce any provision of this Agreement shall not constitute a waiver of the right to enforce that provision in the future.

12.4 Amendments: The Trainer reserves the right to amend these Terms and Conditions at any time. Students will be notified of material changes. Continued participation after notification constitutes acceptance of the revised terms.

12.5 Force Majeure: The Trainer shall not be liable for any failure or delay in performance due to circumstances beyond their reasonable control, including natural disasters, government orders, internet or platform outages, or health emergencies.
