

# Protagonists

| Name            | Age | Description                                                                                    | Abilities                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|-----------------|-----|------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Joelsef Marlick | 20  | Runaway traveler trying to start a new life and escape from his abusive and neglectful family. | <ul style="list-style-type: none"> <li>- Hyper-mutate and manipulate plant-life.</li> <li>- Capable of congregating fungi with flora.</li> <li>- He can heal people by enhancing plant-based medicines (learned from his mother)</li> <li>- He could heal/rejuvenate plants-life (learned from his mother)</li> </ul>                                                                                                                                                                                                                                                |
| Dante           | N/A | Fallen angel trying to recover his memory after being violently exiled out from Pygos.         | <p>* His powers have weakened after being exiled from Pygos</p> <ul style="list-style-type: none"> <li>- He has healing abilities, but he can't fully heal wounds that are bigger/wider than his hands.</li> <li>- He can speak to animals.</li> <li>- He can create portals, but only has enough energy to transport one person at a time.</li> <li>- He can levitate and glide, but is not able to fly fully.</li> <li>- He's pretty strong, but only stronger than mortals.</li> <li>- He can create force fields, but only for brief amounts of time.</li> </ul> |

## Deuteragonists

| Name           | Age              | Description                                                                                                                                              | Abilities                                                                                                                                                                                                                                                                   |
|----------------|------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Azalea Marlick | 68<br>(deceased) | Mother of 8 sons, arranged wife of Jemmix. Was murdered by a “mysterious figure” on the night of Joelsef’s 15th birthday.                                | <ul style="list-style-type: none"> <li>- She could heal/rejuvenate plants-life</li> <li>- She can heal people by enhancing plant-based medicines</li> </ul>                                                                                                                 |
| Emilio Marlick | 26               | Second youngest son of the Marlick family. He has the closest bond with Joelsef, and tries his best to keep him safe (indirectly).                       | N/A                                                                                                                                                                                                                                                                         |
| Oasis          | 5,000            | One of Aean’s more successful experiments. She stays by Aean’s side, running errands and doing whatever tasks Aean wants her to do.                      | <ul style="list-style-type: none"> <li>- She’s super strong and agile</li> <li>- Capable of forcing the truth out of people</li> <li>- Capable of summoning any weapon of choice (but only one weapon at a time)</li> <li>- Teleportation</li> <li>- Telekinesis</li> </ul> |
| Ruglan         | N/A              | Previous God of Domii, current God of Cheirag. He chose to swap positions with his sister, Irdon, because he wants to be closer to non-celestial beings. | <ul style="list-style-type: none"> <li>- Is literally a god lmao</li> </ul>                                                                                                                                                                                                 |
| Anton Marlick  | 32               | One of the Marlick triplets. With being one of Jemmix’s favorite sons, he was chosen to be one of his successors.                                        | N/A                                                                                                                                                                                                                                                                         |

## Tritagonists

| Name | Age | Description | Abilities |
|------|-----|-------------|-----------|
|------|-----|-------------|-----------|

|                     |       |                                                                                                                                                                                                             |                                                                                                                                                                                 |
|---------------------|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dimitri Marlick     | 40    | One of the Marlick twins. Has eventually moved away to start his own life, but comes back to witness the accession.                                                                                         | N/A                                                                                                                                                                             |
| Nicholas Marlick    | 32    | One of the Marlick triplets. He has become a popular actor and musician within Arsia.                                                                                                                       | N/A                                                                                                                                                                             |
| Aris Marlick        | 40    | One of the Marlick twins. He became an infamous influencer and social guru.                                                                                                                                 | N/A                                                                                                                                                                             |
| Cudos               | 5,500 | One of Aean's more successful experiments. After Aean gave him free will, he decided to go off and wander around the realms. When he stumbled upon purgatory, he decided to stay and help guide lost souls. | <ul style="list-style-type: none"> <li>- Capable of seeing and interacting with spirits</li> </ul>                                                                              |
| Kamara (aka Buxien) | 7,000 | One of Aean's more successful experiments. After Aean gave him free will, he decided to go to Earth-realm and explore.                                                                                      | <ul style="list-style-type: none"> <li>- Was very strong</li> <li>- Telekinesis</li> <li>- Pyrokinesis</li> <li>- mind-reading</li> </ul>                                       |
| Bruce               | 57    | He's an ex-mercenary, currently working at Otter's paw (tavern located on the outskirts of Crimson City).                                                                                                   | <ul style="list-style-type: none"> <li>- Can shoot fire-bullets from his finger</li> <li>- Can ignite flames from his finger</li> <li>- Could engulf himself in fire</li> </ul> |

## Antagonists

| Name           | Age | Description                                                                                                                                                                                           | Abilities                                                                 |
|----------------|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------|
| Jemmix Marlick | 70  | Father of 8 sons, arranged husband of Azalea. He's an ultra wealthy politician, lobbyist, and book writer. He's very two-faced, and tends to put up a facade to persuade whoever he wants to exploit. | <ul style="list-style-type: none"> <li>- Telekinesis (learned)</li> </ul> |

|                                 |                         |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                             |
|---------------------------------|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Elias Marlick                   | 48                      | The eldest Marlick son. He'd often bully Joelsef, and went as far as to damage his eye and break his horn. With being one of Jemmix's favorite sons, he was chosen to be one of his successors.                                         | N/A                                                                                                                                                                                                                                                                         |
| Theo Marlick                    | 32                      | One of the Marlick triplets. He'd also bully Joelsef. He's left a giant scar on Joelsef's back from trying to cut his hair with a machete. With being one of Jemmix's favorite sons, he was chosen to be one of his successors.         | N/A                                                                                                                                                                                                                                                                         |
| Ambrosia/Malodorous (Amber/Mal) | 19<br>(Self-proclaimed) | Famous popstar, actor, writer, singer, and dancer. Despite her cheery and soft exterior, she's nefarious, superficial, and two-faced. She goes after Dante for his "unlimited youth" and Joelsef for his (more so his father's) status. | <ul style="list-style-type: none"> <li>- Shape-shifter <ul style="list-style-type: none"> <li>- She has two identities, Ambrosia (Amber) her main identity, and her "brother", Malodorous (Mal) who she uses to "add more layers to her life story".</li> </ul> </li> </ul> |
| Irdon                           | N/A                     | Previous Goddess of Cheirag, current Goddess of Domii. She willingly agreed to swap places with Ruglan because she found her previous position "boring".                                                                                | <ul style="list-style-type: none"> <li>- Is literally a god Imao</li> </ul>                                                                                                                                                                                                 |
| Aean                            | N/A                     | God of Exisa. They like to play with experiments and other exo-scientific things when they're bored.                                                                                                                                    | <ul style="list-style-type: none"> <li>- Is literally a god Imao</li> </ul>                                                                                                                                                                                                 |
| The Huntsmen                    | (varies)                | It's a government owned organization used to hunt down whoever they are assigned to hunt down (with special conditions, of course).                                                                                                     | <ul style="list-style-type: none"> <li>- Varies from huntsman to huntsman</li> </ul>                                                                                                                                                                                        |
| Chiaro                          | 25                      | Co-leader of Rahlan's Children (Cult), assists in finding "Rahlan's gift" (a earth-bound/fallen angel as a sacrifice) so they can ascend to their "true home" in Pygos.                                                                 | <ul style="list-style-type: none"> <li>- Mind-reading</li> <li>- Mirror maze cloning <ul style="list-style-type: none"> <li>- Best described as casting an illusion of someone being in multiple places at once, similarly</li> </ul> </li> </ul>                           |
