

# Shushan Girl (to “Uptown Girl”)

*Sung by Talmud Torah students*

Shushan Girl

She's been living in the outside world  
But now she's heard about this palace guy  
She's gonna leave the home of Mordechai

And she will try to be a Shushan Queen  
There's a beauty contest she could win  
And that's when Mordechai he heard a plan  
It was thought up by a real bad man  
So it began

And Ahashveros  
Was saved just in ti-i-ime  
And he thanks Mordy  
For stopping the cri-i-ime

And now that king's in love  
Yes he was!  
All because of that Shushan Girl!

She's been living in the outside world  
But now she's heard about this palace guy  
She's gonna leave the home of Mordechai

And she will try to be a Shushan Queen!

# Esther, it's your time (to "The Longest Time")

(All)

Oohh, ooh ooh ooh, Esther it's your time  
Ooh ooh ooh, Esther it's your time

(Esther)

Oh, my king I've come to plead my case  
Please come join a feast up at my place  
And as for Haman  
Why don't you bring him along?

(Ahashveros)

Oh don't you know I love a party time!

(Esther)

Now my king I hope you'll hear my plea  
There's a guy who's hoping to hurt me

(Ahashveros)

Now who would do that?

(Esther)

I was just getting to that  
If you would listen, and enjoy your wine

(All)

Oohh ooh ooh ooh, just enjoy your wine  
Ooh ooh ooh, this vintage is just fine

(Esther)

There's a plot to slaughter all the Jews  
And that's not a pleasant thing to do

(Ahashveros)

You mean you're Jewish?!

(Esther)

I thought for sure you new this

(Ahashveros)

Oh no! Haman he wrote the law I signed!

(All)

Oohh, ooh ooh ooh, what's a king to do?  
Ooh ooh ooh, gotta think it through

(Ahashveros)

I will write another new decree  
And I'll say that every Jew is free  
To punch out Haman!

(All)

And that's the way we won!  
Yes that's how Esther went and saved the  
Jews!

(All)

Oohh, ooh ooh ooh, Esther saved the Jews  
Ooh ooh ooh, Mordechai helped too  
Oohh, ooh ooh ooh, now we drink and  
schmooze  
Ooh ooh ooh, why not have a few?  
Cuz Esther saved the Jews!
