

Lookout Valley Middle High School Tardy Policy

We want to help all students begin their school day successfully and be ready to learn when instruction begins. To support our students, we will allow a brief grace period in the morning.

Students who arrive to class **during morning announcements** will not be considered tardy. Students who arrive during the **first minute immediately following the end of announcements** without a tardy slip will also be considered **present** and will not be marked absent or tardy.

After the grace period has ended, students arriving to class will be given a tardy slip and will be considered **tardy**. Students will be required to serve **lunch detention in the office that same day**.

We appreciate your support in helping your student arrive at school and to class on time each day. Thank you for partnering with us to encourage good attendance habits and help ensure that every student has the opportunity to start the day prepared and ready to learn.
