

2+2 College of DuPage + Illinois State University

Pathway: TEE

Semester 1 – COD	• Educa 1100 (3) TCH 104 • Psych 1100 (3) PSY 110 • Engli 1101 (3) ENG 101 • Math 1432 (3) MAT 108 • MANU 2203 (3) TEC 130 • Sem 1 credit hours: 15	• Meet with COD advisor • Take Math placement test
Semester 2 - COD	• Engli 1102 (3) ENG 145 • Speech 1100 (3) COM 110 • Physi 1100 (4) PHY 105 • MATH 1533 (4) MAT 120 • Educa 2201 (3) SED 101 • Sem 2 credit hours: 17	
Semester 3 - COD	• Philo 1110 (3) IAI H • Educa 2230 (3) TCH 110 • Chem 1137, 1212, 1552, 2213, 2551, or 2552 (4-5) IAI • TEE elective (3) • Fine Arts (3) • Sem 3 credit hours: 16-17	• Apply to Illinois State • Meet with Illinois State Advisor
Semester 4 - COD	• Social Behavioral Science (3) W/ AMALI (N) • Science - See add'l science req's for AS (4-5) IAI • Biology (w/lab) (4-5) - ANY IAI L • TEE elective (3) • TEE elective (3) – Can this be replaced with a non-CTE elective? • Sem 4 credit hours: 17-18	
Summer - Illinois State	Consider taking an IAI course that would satisfy ISU graduation requirements (see notes)	

Semester 5 - Illinois State FALL	• TEC 101 (3) • TEC 111 (3) • TEC 116 (3) • TCH 212 (2) • PSY 215 (3)	
Semester 6 – Illinois State SPRING	• TEC 120 (3) • TEC 150 (3) • TEC 243 (3) • TEC 304 (3) • TCH 216 (3)	
Summer – Illinois State	• SED 344 (3) • HUMAN (3)	
Semester 7 – Illinois State FALL	• TEC 216 (3) • TEC 303 (3) • TEC 305 (3) • TCH 219 (3)	
Semester 8 – Illinois State SPRING	• TEC 307 (4) • STT 399A33 (12)	

Notes:

1. This 2 + 2 agreement does not consider all requirements for Illinois State University. For example, (a) to complete the AS Degree requirements, you must have two humanity/fine arts courses (six credit hours), while to graduate from Illinois State University, you need three humanity/fine arts courses (nine credit hours); (b) to complete the AS Degree requirements, you must have two social and behavioral sciences courses (six credit hours), while to graduate from Illinois State University, you need three behavioral sciences courses (nine credit hours).
2. Chemistry is not required for the TEE major at Illinois State University; however, Physics 105 is required.
3. The electives selected for the AS Degree may also be able to be counted toward the 9 credit hours of electives required at Illinois State University; this will be decided once the individual is accepted and their transcript of courses can be analyzed.
