

STORY

One morning, I wake up in my room and I am getting ready to go out. I put on my make-up and did my hair. However, I'm still wearing my pajamas so I grab a dress and put on myself, the next second I'm wearing it. I am now well dressed and ready to go!

PLOT SEGMENTATION

- Wake up from bed
- get ready with hair and makeup
- changing clothes
- ready to go
