### **Quick start-Checklist**

This is the first part of this program which consists of 5 steps; you need to complete five steps to make money. The five steps are as follow:

Make a free affiliate account  
Select Auto-responder  
Sign up with your Auto-responder  
Switch on affiliate funnels  
Get your traffic

The [12 Minute Affiliate system](#) consists of videos that make your work easy. The author of this program also provides a support team that helps people to complete each step successfully. You can complete all the above five steps in just 12 minutes if you do it yourself, while the support team will complete it in 1 to 2 days.

If you are not experienced in [affiliate marketing](#), you have to complete all these steps by yourself. This process is not complicated, and it is also an excellent opportunity for people who want to increase experience. If you are new in this field, you have to understand the program, and you can customize this program according to your needs.

### **Affiliate Funnels (DFY)**

After connecting with the above steps, you will receive 30 affiliate funnels. These funnels are straightforward to process. You will have 3 in demand and great niches to choose from.

The three niches are as follows:

10 affiliate funnels for starting an online business

10 affiliate funnels for weight loss

10 affiliate funnels for Self-Improvement

These funnels consist of the bridge, landing, and profitable (opt-in) pages, which are easy to manage and created by experienced copywriters.

If you want to run your funnels with a high conversation, you have to select a template and run them with an autoresponder. Afterwards, you have to add affiliate links and get traffic to these pages.

### Done-For-You Emails Written Professionally

The 12 Minute Affiliate System provides 240 emails created by professionals. You will get 80 emails for each niche, and you can run them all to your auto-responder. Once you forward them to [autoresponder](#), Aweber works on sending them to people and in a few months, your email list will grow enough to generate profit for you.

These emails promote ClickBank products which are linked with your niche. These also include your ClickBank (affiliate links), so you can have more profit. Emails are great for making money without any training, and there will be no need of hiring an experienced copywriter to write [professional emails](#).

### Funnel Wizard (A-Z)

This is automatic software through which you can make customize funnels by scratch. After this step, you can utilize them for promoting offers. You don't have to create programs or write emails.

### Devoted Support

The 12 [Minute Affiliate](#) also includes support for its users for 24 hours. So if you have any problem during your work, you can quickly contact them. You can also ask questions about the program or the next step. When you stuck somewhere, you can go to the dashboard, and you can ask any question or discuss your problem with them.

So in this system, you are free to contact the support team anytime, and you will receive the answer in a few hours. You can also use the FAQ section available on the dashboard to solve any issue.

### Facebook Group For Users

The 12 Minute Affiliate system consists of a unique communication system. You can contact the team quickly by support centre and Facebook group. So it is straightforward to contact the support team where you get stuck during the program. The beneficial thing about this group is that you can contact members; you can give or receive answers and share your tips, failures, successes, and support. The author also shares free online tips and reviews to solve your issues and improve yourself in this field quickly. You can also receive some tips about [earning more commission](#) with your work.

### Done For Yourself Traffic

The 12 Minute Affiliate provides done-for-you traffic, which assists you in getting more niche and also attract traffic. The number of traffic depends on your budget. To take advantage of this traffic, you will have to choose (Done-for-You traffic) on the main dashboard.

When you click the [Get Traffic](#) option and choose the type of traffic according to the niche, you have to select the amount you want to get traffic. After spending money, you can insert an affiliate link and have more commission and promote products.

### About Pricing Of 12 Minute Affiliate

The users of this [affiliate marketing system](#) have provided five options for a payment plan. So it's straightforward to select as per your budget.

The first option is \$9.95, which you can buy as a trial, and you can also test the program within 14 days. If you are satisfied with this program, you can subscribe for a [longer time](#). [Click Here To Get Activate Your Trial Version](#).

For monthly you can buy it for \$47.
