## **INDEPENDENT STUDY** **POLICY**

Creekside Charter (“Charter School”) shall offer independent study to meet the educational needs of pupils enrolled in the Charter School. Independent study is an optional educational alternative in which no pupil may be required to participate and is designed to teach the knowledge and skills of the core curriculum. The Charter School shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully. The following written policies have been adopted by the Creekside Charter Management Governance Board for implementation at the Charter School:

1. For pupils in all grade levels, TK-8, and programs offered by the Charter School, the maximum length between the date an assignment is made from the date it is due is through the end of the learning period, which will not exceed 20 school days.
2. The Executive Director or designee shall conduct an evaluation to determine whether it is in the best interests of the pupil to remain in independent study upon the following triggers:
  - a. When any pupil fails to complete six (6) assignments during any period of twenty (20) school days/learning period.
  - b. In the event a student’s educational progress falls below satisfactory levels as determined by ALL of the following indicators:
    - i. The pupil’s achievement and engagement in the independent study program, as indicated by the pupil’s performance on applicable pupil-level measures of pupil achievement and pupil engagement set forth in Education Code Section 52060(d) paragraphs (4) and (5).
    - ii. The completion of assignments, assessments, or other indicators that evidence that the pupil is working on assignments.
    - iii. Learning required concepts, as determined by the supervising teacher.
    - iv. Progressing toward successful completion of the course of study or individual course, as determined by the supervising teacher.

A written record of the findings of any evaluation conducted pursuant to this policy shall be treated as a mandatory interim pupil record. The record shall be maintained for a period of three years from the date of the evaluation and, if the pupil transfers to another California public school, the record shall be forwarded to that school.
