March Logos News

Edition 23/24

March 1st, 2024

I remember my teacher in elementary school stating that March comes in like a lion and goes out like a lamb, or the opposite. Hopefully, we get some lamb-like weather at the end of this month! God's Word also uses this same imagery to describe Jesus. Jesus is like a lion, He is King and Lord over all. Jesus wasn't a military conqueror but in fact conquered something more important; He conquered sin and death. His Kingdom now reigns here on earth in the hearts of all who believe and call on His name. Yet even though He is Lord over all, he also became like a lamb, the Lamb that was slain in the place of us. Just as the Passover lamb's blood allowed the Israelites to be saved, it is also Jesus' blood that saves us. This month is very important in the Logos program here at JMD because we have the opportunity to focus and be mindful of Christ's sacrifice. Even though the lion and the lamb seem like extreme opposites, Jesus is both. Today, the life of Christ serves as our model; as death can be conquered through what Jesus has done for us, we are called to have a servant-like heart and live self-sacrificially.

"Behold, the Lamb of God, who takes away the sin of the world." John 1: 29

"Do not weep! See the Lion of the Tribe of Judah, the Root of David, has triumphed."

"Worthy is the Lamb, who was slain, to receive power and wealth and wisdom and strength and glory and honour and praise!" Revelation 5: 5, 12

February Highlights

February was a month where we focus on Christ loving others in the Logos Program. Mrs. Gelderman led the praise service for the K-5's and Mr. Sherwin led the Grade 6-9 praise service. The junior high praise band led worship for the grade 6-9 praise service.

The wave of kindness also rolled through JMD in February! In the event students were given to write an act of kindness that they did or planned to do on a heart. These hearts were then hung on the fence in front of the school. Big thanks to Mrs. Giacetti for helping to make this happen!

Youth Alpha for junior high students also kicked off on February 27th. We had over 50 students show up for this! Youth leaders from St. Albert Alliance and the Bunker are helping with this. Youth Alpha is a time when students can ask the big questions in life,

and where the good news is presented. This is happening on Tuesday from 12:50-1:20 in room 208, please encourage your child to attend if they are in junior high.
