We are committed to protecting your privacy. Our game is designed to be simple, fun, and safe — without needing any of your personal information. This game (Color Trap Challenge) is developed by **AKB Mobile Software**

No Data Collection
We do not collect, request, or access any personal data, device information, or user details. The game works fully without it.

No Third-Party Involvement
There are no ads, no analytics tools, and no third-party services connected to this game. Your activity stays private and on your device.

No Storage or Retention
Since we don't collect anything, we also don't store anything. There are no records or databases containing your data.

Complete Privacy by Default
With nothing gathered from you, there's no chance of leaks or misuse. Your privacy is automatically protected.

Child Privacy Notice
Our game is not created for children under 13 years of age, and we don't knowingly collect data from them. If you have questions, feel free to contact us.

Policy Updates
If this Privacy Policy is updated in the future, we'll post the new version here. Continuing to play means you agree to the latest terms.
