

Below are the answers to your questions from the parent survey. Again, thank you for providing feedback!

1) Are there parent chaperones as well as school staff on this trip?

There will not be any parent chaperones on this trip.

2) Will there be preparation meetings with the kids for the trip?

Yes, there will be informational meetings for kids to help inform and prepare for the trip

3) Did you look into an Amtrak Train ride to DC vs. Flights?

4) Are we doing any fundraising?

Every participant who registers will receive a Crowdfunding/fundraising page. This is personalized, easy to use, and shareable through email or social media.

5) Will the students get any certificate after the completion of the trip?

The students will not get a certificate, but they will absolutely come back with a lifetime of memories and experiences!
