## Covers

- The prices are in the same range
- Mixing vocals costs extra **\$50 per vocal track**

## Deadline

- For any song I require at least 2 weeks for a 1 minute song
- For any \$300/minute kind song I require at least 1 month
- I may finish in less time than expect

## Contract

- You are playing for the **exclusive right** to use the song in any way you like and monetize as you like. Only you can use the song
- I still require that you put my name on the credits
- If you don't want to play the price for the exclusive right, you can buy my music packs (**inclusive rights**) on my Gumroad (still setting up) for a very cheap price
- **Inclusive Rights** gives you permission to use, but other people might also buy the permission to use the songs
