

# ***THE BOY WHO GOT LOST IN THE FOREST.***

*Once upon a time there was a boy who got lost in the forest with no water or food. The boy was terrified of being eaten by the bears and wolves. The boy was starting to get hungry and thirsty. He decided to make a spear for killing deer and other animals.*

*So he went to the lake where animals would be drinking water then he saw a wolf gang so he ran away really quietly. He ran beside the bush where the wolves could not see him. Then he saw a bear the bear looked hungry his mouth was watering the boy was still puffed from running away from the wolves. It was hard for him to be quiet as he was breathing so loudly.*

*Then he saw a dog beside him it turns out that the dog was actually his dog. He said "here boy" very quietly then the bear saw the dog coming over to the boy then the dog started to growl at the bear the bear roared at the dog and the dog stopped growling because of how small the dog was. The dog bit the bear on the leg so the bear left limping in pain the little boy was so happy that his dog came and saved him. The boy was so*

*hungry that he could almost eat his dog. The dog and the boy were walking then he saw his mum alone and she looked lost, scared and cold. As soon as the boy saw his mum he was in joyful tears the mum saw a cottage so he ran to the cottage and knocked on the door he saw a wise old man and he was cooking pizza. The mum served it on a paper plate they slept in this cottage til the next day. The next day there was a pony outside the boy had never seen a pony before "it's feet are so big" he said so they trotted off. The pony was so skinny that it needed to eat. In around five to six hours of trotting he saw his home the boy was so happy he ran inside and said hello family then all his brothers and sisters and his parents hugged him for a long time and they lived happily ever after.*
