Willy's World is dedicated to raising awareness of hidden disabilities and empowering children and families through education, support, and inclusive community opportunities.

April 7, 2026

Hello,

I am reaching out to share that I will be participating in Walk for Willy's World on June 28, 2026, at Buhl Park in Hermitage. As part of this event, I am raising funds to support children and families navigating hidden disabilities in our community.

Willy's World is a charitable fund of the Community Foundation of Western Pennsylvania & Eastern Ohio, dedicated to providing education, resources, and direct support to families who often feel overwhelmed and alone. To learn more about Willy's World, check out their website at www.willysworld.org.

Through programs such as safety grants, therapy support, classroom sensory tools, and emergency assistance, Willy's World is making a meaningful impact on local families. For example, something as simple as a safety fence can be life-changing for a child who may wander, giving families peace of mind they may not otherwise have.

I am working toward my personal fundraising goal before walk day, and I would truly appreciate your support. Every donation, no matter the amount, helps make a difference and stays right here in our community.

All donations are processed through the Community Foundation of Western Pennsylvania & Eastern Ohio. Donors will receive an official acknowledgment letter for their records, which may be used for tax purposes.

If you are not able to donate, sharing this with others would mean a great deal as well.

Thank you for considering this opportunity to make a meaningful impact in our community.

With appreciation,
