There was a big response by students that this would be wanted. The plans show video games, pool table, outdoor games. FM builds cornhole games. Paul mentioned Mission Pool is a good vendor to reach out to for the games. We need an updated quote and a Project Manager. Hugo is getting a quote for painting and flooring. The quotes should be here by the end of the following week.
3. **Flying A Update:** Louis is working with Chawn to make updates to all of our rooms. Phil and Louis will meet the following week. Nothing to report until probably the next quarter.
4. **Building Update:** Louis gave a building update. The mats outside of the bookstore were put out due to someone slipping. We have had reports of this for ages. Gary put this problem on the maintenance list in 2016 but it wasn't done at that time. The mats were initiated by the Chancellor because the person who slipped was a huge donor and went directly to him.
