

Once Upon The End Walkthrough

- > Finish talking with Olice then head outside
- > After Yoko walks away, head to the shop area (bottom left of the map)
- > There should be a fence/sign. Jump over it (you automatically jump)
- > Keep walking and a cutscene will occur
- > You'll be sent back to your house. After the cutscene, head outside.
- > Go to Rina's house
- > Save Rina's mother
- > Go to the backyard and speak with Rina
- > Go back outside and look for Yoko's house (it's a far right one, should be easy to find)
- > Save Yoko's parents then head upstairs
- > Yoko will be in a pinch, so help her ass out
- > Once you do that, head to Kazuo's house, save his parents then save him
- > Now head to Chiyo's house then go upstairs.
- > Talk to Chiyo then go downstairs
- > Once you could move again, talk to the masked man
- > After the battle and cutscene, speak to Silver
- > Head upstairs
- > After the long cutscene, you should be outside your house. Go to Yoko's house.
- > After you attain her, go to Kazuo's house.
- > Now Chiyo's house
- > (Secret Route Requirement #1) Before leaving, head back to the area behind the shops. There should be a mermaid protecting a chest. Kill her then get Yoko's secret weapon.
- > Leave Kizuato Town. After the cutscene, walk past the second town and activate another scene.
- > Once that's done, head back to the second town
- > When you enter, you'll be robbed by Rostalla.
- > She's at the bar. (Near the top right of the map)
- > Talk to her.
- > After the long scene, head to the bottom of the map
- > Take out the guards and then the mayor
- > A cutscene will activate when you leave the mayor's house
- > Once that ends, go back to the bar and talk to Takeshi
- > (Secret Route Requirement #2) Before leaving, go to the blue house near the right of the map. A man wearing sunglasses and a tuxedo will be in your way of Eric's secret weapon. Kill him!
- > Leave Allastor Town and continue on the path then enter the haunted forest
- > Continue down the path, it will trigger a loop
- > (Secret Route Requirement #3) At the bottom left of the map on the other side of the fence, there's someone waiting beside a chest. Jump over the fence (interact with the fence) and play

his ero game to get Chiyo's secret weapon.

- > There's Incognito's servant waiting on the right side of the fence. Jump over (interact with fence) and talk to him
- > You'll be in a dungeon. Fight your way through it (the exit is at the top right of the map)
- > Afterwards you'll be in the castle area.
- > (Secret Route Requirement #4) At the left of the map there's a path leading to a hooded person guarding a chest. Kill him then get Kazuo's secret weapons.
- > Continue walking straight and you'll see Incognito's servant blocking the way, kill him.
- > Walk up and fight Incognito
- > You'll be transported back to the world map. Walk to the next forest area.
- > Continue the path, it'll be pretty straightforward
- > The group will notice that there's a cave, go in it
- > Now go back out and find wood for the campfire
- > A cutscene will occur after getting wood
- > After the cutscene, go back in the cave
- > Talk to Kazuo
- > A couple of cutscenes will occur, and it will branch off

Bad Ending

- > As Kazuo, go back in the cave
- > After the cutscene, head outside the cave
- > After that cutscene, continue the forest path to the castle (top right)
- > Fight the guards
- > After that scene, you will play as Yoko
- > Continue the forest path to the castle
- > Find Kazuo, fight the guard captain
- > As Eric in Kizuato Town, go to your house
- > Talk to Ryan
- > After the cutscene, you'll be in the forest area
- > Go in the cave
- > Exit the cave then continue to the castle
- > After the cutscene, enter the castle
- > Go to the throne room (far right room)
- > Final battle
- > The End!

Good Ending

- > As Kazuo, go back in the cave
- > After the cutscene, head outside the cave as Eric
- > After the other cutscene, continue following the forest path to the castle
- > Try entering the castle walls

- > (Secret Route Requirement #5) At the bottom right-ish of within the wall, there should be a crack. Go through it then fight the zombie. It will give you Rina's secret weapon. For the best results, don't equip it till the secret ending.
- > Try entering the castle
- > Fight the guard captain
- > Go inside the castle and talk to Ciuki (purple haired girl) and Yuki (pink haired girl)
- > A cutscene will play
- > After, head to the throne room (far right room)
- > A cutscene will play.
- > Fight Cronus, then fight him again, then fight Toshiro
- > After that scene, you will be transported to the forest
- > Head back one area
- > You'll see a hooded figure, talk to it
- > After the battle, a few cutscenes will play
- > After the cutscenes, you'll be transported at the world map
- > Go to the tower
- > Fight the boss
- > The End!

Secret Ending

- > A long cutscene will play
- > After the cutscene you will play as Masaru
- > Fight the two mercenaries
- > After the cutscene, follow Rina to her house
- > Go upstairs
- > Talk to Rina
- > Fight the Imp
- > Fight the Orc and Skeleton
- > Cutscene plays
- > Transported to the tower
- > Interact with the door
- > Fight the final boss
- > The End!
