

NETFLUX POSTER CHALLENGE

The emergence of Flux has indeed brought us surprises, with its excellent performance in both text and image generation.

If we imagine Flux as an entertainment service company similar to Netflix, what kind of exciting works would be born? Now, it all depends on your imagination and creativity.

All creators, come and show off your ideas!

By the way, If you have already trained a Flux model, you are welcome to publish it on Shakker and participate in the [\[Shake the World\]](#) event to receive bonuses.

Submission Period:

Aug 12, 2024 - Aug 31, 2024(PST)

Judging Period:

Sep 1, 2024 - Sep 9, 2024(PST)

Winners Announced:

On or around Sep 10, 2024(PST)

Winners and Prizes

Top 1-5 \$500

Top 6-20 \$100

Special bonus:

Everyone can enjoy an additional **200 free tokens** every day during the event.

Approximately able to generate 20 Flux images for free every day.

Selection criteria:

The creations with **Top20 likes** before Sep 1, 0:00 (PST) can receive the prizes.

If there is a tie in the number of likes, the work that was published earlier will be ranked higher.

A creator can win only **one** prize.

Content requirement

Sample images:

[All sample images collected from Shakker.AI](#)

1. Create Theme: Generate Movie & TV series posters using Flux model.
Generating images that are irrelevant to the theme will not be considered as valid submissions. (Please refer to the sample images above)
2. All submitted images must be generated by using the **Flux base model**, based on the 'base model' displayed on the image details page. You can also use Flux LoRAs to generate images. **It is recommended to use the Shakker generator to generate images to avoid invalid submissions due to inability to recognize the base model.**
3. All submitted images must adhere to SFW (Safe for Work) guidelines.
4. Ensure your images are tagged with the event tag '**🔥 NetFlux poster challenge**' to enter the event.
5. All images must be created solely through AI generation, with no further touch-ups or edits using any art programs. **Submitted works must contain original images (including parameters) in PNG format, rather than post-edited images.**

6. All uploaded images will be reviewed and approved by the moderation team. After passing the review, all submitted images can be seen under the event tab of [Shakker's Inspiration channel](#).

How to participate

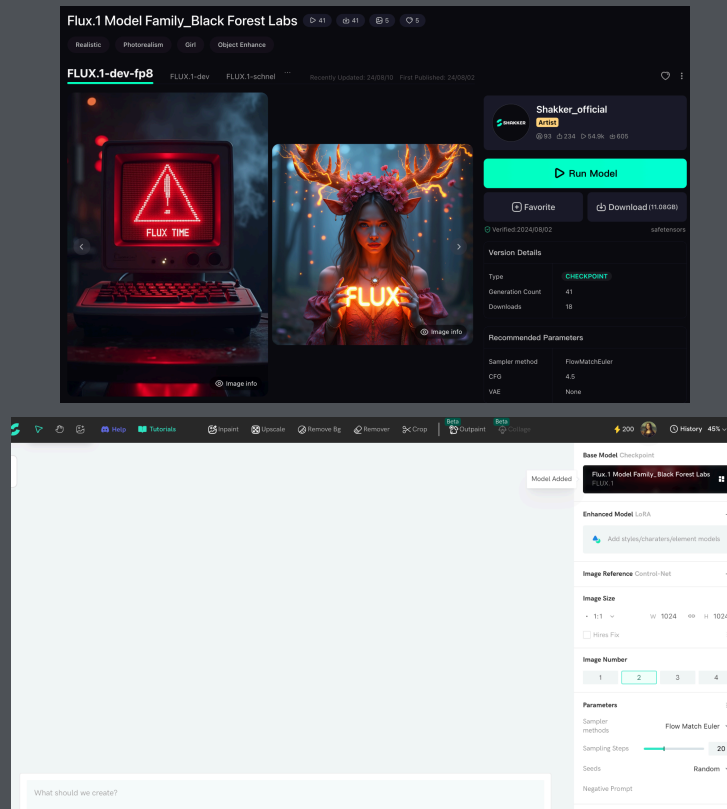

It is recommended to use Shakker's online generator to prevent the base model used in the image from not being recognized.

We now support three ways to generate Flux online:

 AI Generator Create and edit images	 AUTOMATIC1111 Beta Web UI
 SD3 & Flux New Support SD3 and Flux	

Ai Generator:

Enter the model page of Flux to run the model online.

[Click to Flux model page](#)

Click the Share button in the upper right corner of the image and post it with the event tag'  **NetFlux poster challenge'** .
