

## **AP Psychology P (S3653L)**

<b>Recommended Prerequisite</b>	<b>Meets the SDUHSD Graduation Requirement</b>	<b>Full Year or Semester/ Quarter Class</b>	<b>Meets the UC/CSU A-G Requirement</b>
Grades 10-12	Elective	Year	G - Elective

Psychology will introduce students to the systematic study of the behavior and mental processes of human means and animals. Students are exposed to the psychological facts, principles, and phenomena associated with the major fields within psychology. Students also learn about the methods psychologists use in their science and practice. The major aim of this course is to provide each student with a learning experience equivalent to that obtained in most introductory college psychology courses. In addition, this course has been designed to help students successfully achieve a passing score on the AP Psychology exam.
