PRESIDENT'S REPORT:

Evan spoke to his report, previously circulated.

Evan said our objective is that we would fulfil the promises we made to our members from last year. This has been achieved, with some extras.

We have ensured that our members are informed and kept up to date, with *Alert* and *Archifacts* as well as 5 lunch time kōrero hosted by various branches and groups. We have also supported our active branches as well as the Auckland RIG. We have developed a new, easy to use website.

We have collaborated with other groups in our GLAMiR sector - such as RIMPA, ASA, NDF and the Open Polytechnic.

We have advocated within and for our sector. This includes providing feedback on disposal schedules, attending meetings especially with Archives NZ and commenting on activities concerning our fields.

We are pleased to report that Hon. helen Clark has agreed to become our patron, if our members agree.

Finally, we have begun work on a combined ARANZ / ASA conference to be held in Christchurch next year.
