

## **Privacy Policy**

Your privacy is important to us. It is the policy of My Workout Alexa to respect your privacy regarding any information we may collect while operating the My Workout Alexa website, and other sites we own and operate.

We request personal information only when we truly need it to provide you with a service. We do so by fair and lawful means, with your knowledge and consent. We also inform you why we are collecting it and how it will be used.

We only retain collected information for as long as necessary to provide the requested service. When we store data, we protect it within commercially acceptable means to prevent loss and theft, as well as unauthorized access, disclosure, copying, use, or modification.

We do not share personally identifiable information publicly or with third parties, except when required by law.

Our website may contain links to external sites that are not operated by us. Please be aware that we have no control over the content and practices of these sites and cannot accept responsibility for their respective privacy policies.

You are free to refuse our request for personal information, understanding that we may not be able to provide some of the desired services.

Your continued use of our website will be regarded as acceptance of our practices around privacy and personal information. If you have any questions about how we handle user data and personal information, feel free to contact us.

## **User Commitment**

The user agrees to make appropriate use of the content and information that My Workout Alexa offers on the website, including but not limited to:

A) Not engaging in activities that are illegal or contrary to good faith and public order;

B) Not disseminating propaganda or content of a racist, xenophobic, gambling, illegal pornography, terrorism, or human rights-violating nature;

C) Not causing harm to the physical (hardware) and logical (software) systems of My Workout Alexa, its suppliers, or third parties, or introducing or spreading computer viruses or any other hardware or software systems capable of causing the aforementioned harm.

### **More Information**

We hope this is clear, and as mentioned earlier, if there is something you're unsure whether you need or not, it's usually safer to leave cookies enabled if you interact with one of the features you use on our site.

This policy is effective as of March 2024.
