Where in the World: Great Britain GIFS

Stonehenge Squats	Curtsy Lunge	London Eye Circles	Big Ben Swings
			
London Marathon	Tottenham Tosses	London Bridges Fall Down	Queen's Guard March
			

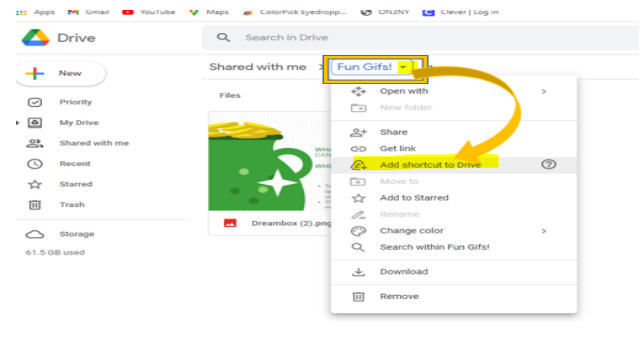

How to Add GIFS to Your Google Drive

1. Click the [link](#) from the website

2. When the folder opens in Google Drive, **click on the triangle** next to the name of the folder.

Scroll down to **add shortcut to the drive**.

3. Move the folder to where you want to store it within your Google Drive. When it is where you want it, **click add shortcut**.
