

Check out the Gear Store! New items have been added!!!!

What gear is needed for our swim team?

You will need a swimsuit and swim cap (the team will provide one cap to each swimmer), goggles, water bottle, and a towel for each practice and swim meet. Caps are mandatory at all practices and at the swim meets. You will be given your complimentary swim cap the first week of swim practice. We suggest a tight fitting swimsuit: jammer/brief for boys and a one piece for girls.

Our Gear Store is open if you wish to purchase swimsuits and caps:

Questions about team gear? Please contact the Manta Rays volunteer gear chair, Jenny Hsieh jenny.e.hsieh@gmail.com

Note: Each swimmer will receive 1 latex swim cap when they check in for their first practice for the season. However, if you want more swim caps, you can find them at the gear store.

You can shop at the store for lots of Manta Rays items. These spirit wear items are not mandatory, but many families purchase the fun “swag” to show support to the Manta Rays swim team. We will be adding more gear items this next week, so check in on the site often! :)
