

SAN ANDREAS FIRE DEPARTMENT OFFICIAL 2025 EQUIPMENT CHECKLIST

APPROVED BY SAN ANDREAS FIRE-RESCUE COMMAND ON:

Instructions: Prior to bringing an apparatus in service, the operator of the apparatus will ensure that the following equipment is placed on the respective apparatus, fly car, or Flight Operations unit. It is the responsibility of the Station Commander (if one is available) and apparatus operator to ensure that the minimal amount of equipment is placed on board any given apparatus. You are free to make a copy of this checklist by printing it off for your personal review.
