

Tutorial: Enabling Pop-ups in Safari

Steps	Instructions	Image
Step 1	To begin, open Safari and select "Settings" under the Safari dropdown menu.	
Step 2	Then, select "Websites", and on the left navigate to "Pop-up Windows" -	
Step 3	Faculty and Students using Blackboard with Safari must "Allow" the Pop-ups to allow Blackboard to pass Data for many of the 3rd party tools in Blackboard.	

Congratulations! Now you know how to enable pop-ups on Safari!
