For internship year elective

Send a WhatsApp Message to internship unit of MU (+966 16 404 2310)

A message where you introduce yourself, your request along with the dates you want to take an elective.

The internship unit will provide a letter which includes:

- You're personal information.
- GPA
- The rotation you're taking (Neurosurgery) and the dates
- Hospital name

If they didn't respond to you, you either talk to the chief intern (batch leader) who will contact them

or you can go the college of medicine at MU (2nd floor) in the internship office.
