Weekly Update For 8/31/2026

Dear JMS Families,

- It's hard to believe that we are already entering the third week of school. We hope that you and your student(s) are having a great year at Jonesville Middle School. Please remember to reach out to myself, Mrs. Woodruff in the office, or Mrs. Elder, our guidance counselor if you need anything or have any questions.
- If your student walks to school and needs to ever cross HWY 12, please remind them to cross at the stop light at Evans St. We have had issues in the past with students attempting to cross at Wright Street and with the increased traffic, this is not safe. Thank you for helping our students practice safe habits.
- Our first NWEA benchmark test will take place this Tuesday, Wednesday, and Thursday from 8 am to 10 AM. These tests help us gauge student academic progress over the course of the year. Students will have an alternate schedule the rest of the day.
- This year, like in years past, Jonesville Middle School students will be working on Wayfinder every Wednesday. Wayfinder is our social-emotional curriculum that is designed to help students learn to cope with social-emotional challenges they face as young adults. Please find our yearly letter to parents as an attachment to this email.
- Please remember that this year we will be having late start Wednesdays. This is district wide for every school. School will begin at 9:45 AM as opposed to the regular time of 7:45 AM. Our first late start Wednesday will be held September 16th. Please reach out if you have any questions.
- If your student is missing any personal item, they are possibly located in our 'Lost & Found' crate located in the front of the main office. Please have them check as this time of year we start to collect student folders and water bottles. In the fall, it will be sweatshirts and jackets. There is always an extensive collection of valuable items.
- Here is the link where you can pay for a la carte items and Chromebooks.
