Michael J. Snowden is an educator, advocate, and lifelong Kansan. He possesses undergraduate degrees in Church Leadership and Ministry from Southwestern Assemblies of God University and is a credentialed minister with the General Council of the Assemblies of God. In addition, he holds a Master of Arts in Teaching from Kansas State University.

Mr. Snowden serves on staff at First Assembly of God and as a part of the teaching faculty at Heritage Christian School. His passion for educating children and youth is evident in his mission to help others cultivate a profound love for the Savior and in the faith he embraced at just six years old. His dedication extends beyond imparting knowledge; he strives to equip his students with the confidence and life skills necessary to navigate an ever-changing world.

Outside his professional commitments, Mr. Snowden enjoys reading, writing, and experimenting in the kitchen. However, his favorite role is that of a dad. He and his son, Luke, enjoy football and traveling to new places together.
