

18th March 2022

Dear Parent/ Carer,

We are extremely proud of the efforts and commitment of the year 11 pupils during the last two weeks. The vast majority have worked really hard for their mock exams and we are already seeing an improvement in their grades. They all deserve a reward this weekend; we have asked them to rest this weekend and not to complete work so that they can be ready for the next two weeks.

Next week we will start to revise the topics that they struggled with. We are concerned that not enough students are attending the after school sessions and they must make this a priority from now until the exams as there are only 5 school weeks left! It is also evident that some students are not doing enough revision at home; this is vital for the next two months if your child is to be fully prepared for their final examinations. Please can you encourage your child to do this.

With that in mind we have decided to organise a revision festival. This will take place on Thursday 31st March. All pupils along with parents/ carers must attend this event as it will really support all of our year 11 students. The event will start at 5.00pm and finish at 7.30pm. We will send more details next week.

Next week you will receive your child's Praising Stars 4 report. Please note that the data for these reports was entered prior to the mock examinations being completed so does not reflect their examination result. The grade is what the staff predict the student will get in the summer based on the work they had completed prior to their mocks. All pupils will receive their mock examination results at the revision festival.

Thanks again for your support during this challenging year. They are a brilliant group of students and we enjoy teaching and supporting them. They are a real credit to their families and our school. Please feel free to email me at p.abram@haydock.outwood.com

Your sincerely

Mr P Abram
Principal
