

#RezReads...for the fun of it!

Rez Reads...Ms. Martin's Must-Reads

These books cover a wide variety of genres (fiction and non-fiction) and are my go-to recommendations... books that I loved reading and think that lots of other people would love too! These are my "read before you graduate" suggestions!

(note: titles with a red box around the image contain more mature content that may be more suitable for senior students)
