

Terms of Service

By working with me, you agree to the terms below. They protect me as an artist and you as a commissioner so please read them before contacting me.

Please understand that I am a full time nurse with a family. My commissions are not quick turnaround and may take a month. I will update my trello and reach out when your commission is up next in queue or being started! 💕

- ♡ ***My discord is for communication about commissions only. Please do not spam my discord.*** I'm incredibly busy between work, life, and commissions.
- ♡ I do not consent to my art being used as an NFT or in AI training or algorithms.

Commission Process

- ♡ When asking for a commission, please be clear about what you'd like if you have a particular vision. Giving me creative freedom is fine, but I really appreciate being given your preference on a pose, vibe, and expression.
- ♡ My style can range from proportionate and more realistic to cutesy and more stylized. Please let me know which you'd prefer!
- ♡ Unless I am creating a character for you, please have a reference ready.
- ♡ I send a WIP at the sketch stage, and other stages as requested.

- ♡ Please let me know if I missed a design element! Please do not ask for large, non-design related changes after the sketch stage, such as pose changes.
- ♡ Commission times may vary depending on my workload. Most commissions are done within a month however. I will let you know if it is going to take longer.
- ♡ If for some reason I cannot finish the commission I will refund you the full amount and give you as far as I got with the commission.

What I will draw

- ♡ I will draw any animal, monster, fantasy creature, or humanoid (though I'm a bit inexperienced with humans) with any body type, gender, etc.

After your Commission

- ♡ Right after finishing, I do the first set of (reasonable) edits free. After the first edit you might be charged an additional fee.
- ♡ Please let me know if you would like me to refrain from posting your commission anywhere.
- ♡ I will not make edits to a long-since finished commission if it is not stated or requested when your commission is complete. (don't come back months later asking for edits unless you are willing to pay for edits.)
- ♡ You may repost your commission but you must credit me when reposting.

♡ If you wish to alter or edit my work you may, but please specify that you did when posted, and you MUST still credit me.

♡ You may use my work in whatever print fashion you prefer for yourself or others for FREE. Unless we have previously discussed it, Do NOT profit from my work by selling it to others. You will be blacklisted, and reported on the merchandise site.
