

Privacy Policy Bulk Video Downloader

At Bulk Video Downloader, we take your privacy seriously. This privacy policy outlines how we collect, use, and protect your personal information when you use our Chrome extension.

Information We Collect

The Bulk Video Downloader extension does not collect any personal data, browsing history, or video content downloaded by users. We do not store any personal or sensitive information on our servers.

1. Non-Personal Information: The extension may collect anonymous, non-identifiable information such as extension usage statistics. This helps us improve our services and understand how users interact with the extension.

How We Use Information

- Extension Functionality: The extension only uses permissions necessary for its core functionality (e.g., downloading videos from supported platforms).
- Storage: The extension stores user preferences locally on their device to customize the download experience. No personal data is stored or transmitted.

Permissions and Their Use

To provide the core functionality of Bulk Video Downloader, the extension requires certain permissions:

- ActiveTab: Allows access to the current tab for downloading videos from the active webpage.
- Downloads: Used to manage and store video files on your local device.
- Scripting: Injects code to detect and process downloadable video content from supported websites.
- Host Permissions: These are necessary to access and retrieve videos from social media platforms such as Facebook, Instagram, LinkedIn, and Twitter.
- Storage: Used to save settings or preferences locally on your device.

Data Sharing

We do not share or sell any data collected through the use of our extension with third parties. Since we do not collect personal data, no such data will be shared.

Third-Party Websites

Our extension interacts with third-party websites like Facebook, Instagram, LinkedIn, and Twitter to download content. Please refer to their respective privacy policies to understand how they handle user data.

Security

We implement appropriate technical measures to protect user data from unauthorized access or disclosure. However, no internet-based application is completely secure, and we cannot guarantee absolute security.

Changes to This Privacy Policy

We may update this privacy policy from time to time. We encourage users to review this policy periodically to stay informed about how we are protecting their information.
